Dear Collegiate Athlete:

Greetings! It is my pleasure to announce the 28th Annual USAPL National Collegiate Powerlifting Championships will be held at the Hyatt Regency Hotel in Orlando, Florida on April 16 – 18, 2010. I have attached a contest application for your review.

I have placed this year's National Collegiate Championships in a location with the highest degree of convenience for you and your family members, especially taking into consideration those that may be a tight time schedule/travel budget.

The Hyatt Regency Hotel is [connected] directly to the Orlando International Airport and is rated four stars. Also, the Hyatt Hotel is located just 15 minutes away from all of the Disney Theme Park Attractions. Specially priced tickets for the USA Powerlifting Group will be offered before and during the championship. As a reminder, please make a note of the deadlines for your contest entry form [March 20, 2010] and hotel reservations [March 26, 2010].

The contest equipment for the championship will be of an international caliber and will include seven [7] ER/Combo squat/bench press racks and seven [7] calibrated Ivanko bars/weights. A computerized scoring system will be used to direct and calculate the individual and team scoring for the competition.

Finally, this event will serve as an official qualifier for the USA Sub-junior/Junior Powerlifting Team that will compete at the IPF World Junior Championships from August 28 – September 2010, in Pilsen, Czech Republic.

To close, if you have any questions regarding this championship or if I can be of further assistance, I can be reached by email at: rhk@verizon.net or my cell: 954.790.2249. On behalf of administration of USA Powerlifting, I would like to take this opportunity to wish you great success with your training for this competition and look forward to seeing you in Orlando -- Thank you!

Sincere regards,

Robert H. Keller
