American Records established in the Teen, Junior, Collegiate and Master divisions will be drug tested at the combined discretion of (3) officials: the Meet Director, the Head Referee in Charge and the USAPL President. In the absence of the President, the third official will be selected by the following order: 1st - The Drug Testing Officer; 2nd - The USAPL State Chair; 3rd - another Referee adjudicating the competition. All of the aforementioned officials should have attained the National level referee ranking. The (3) signatures of these officials below will constitute a waiver of the drug testing requirement for this particular American Record Application. All Open American Records continue to require 100% drug testing.
